Summer 2012 CSA Information

We are a Community Supported Agriculture (CSA) farm. Our members support us by buying a share, which is a season's worth of vegetables purchased in advance. This investment enables us to pay for seeds and labor at the time we need it most. Members pick up their produce once a week at one of our designated pickup locations. Each share is designed to feed a family of four, or two vegetarian adults.

Shares are sold on a first come, first serve basis. Summer shares cost \$580. We encourage members to pay for their share in full at the time of registration, but we offer an installment plan if needed. At least ½ of the price of the share is due to reserve your membership. The remainder is due no later than April 15. When we receive your payment, you will be notified by email that your share is secured. For members splitting a share with others, please enclose only one check with the registration form, and be sure to provide contact information for each person in the share so they are included in all communications.

Buying a share means you join us in the risk of farming. Farming is a seasonal and inherently unpredictable endeavor, and exact selections and quantities in the weekly distribution will change as the season progresses.

To reserve your share, please complete this form and return it with your check made payable to *Sunseed Farm*, 2886 West Joy Road, Ann Arbor, MI 48105.

CSA Sign-Up Form

Please register me as a member of Sunseed Farm's Community Supported Agriculture (CSA) program for the Summer 2012 session running from May 3 through August 17, 2012. In joining the CSA, I agree to share in the fluctuations and variations inherent in farming, and understand that my produce will be grown with sustainable farming practices.
